

Joint Raided.
A joint in the alley back of Main street between First and Second was raided Tuesday night.

Insane.
Mr. A. D. Dennis, a Clay township farmer was adjudged insane by Judge Fontenot last Thursday.

New Barn.
Ben Rexroad has the contract to build a livery barn for McVey on the lots occupied by the Dice boys machine shops in the rear of the Penny building.

Sauke Decker Wore.
The many friends of Judge Theo. Decker will learn with sorrow that he has been stricken with paralysis and his life despaired of. Some weeks ago he went to Ohio thinking a change of climate would do him good.

Surprised.
Last Wednesday evening Mr. and Mrs. B. Slade, of east O street were the recipients of a surprise in the form of a fine silver cake basket from about forty members of the Fraternal Aid society. The occasion being the 37th birthday of Mrs. Slade.

Those Milk Shakes.
Dad Hughes, the veteran milk shake man, who has acquired the reputation of having dispensed more of that healthy summer drink than any other living man has rented the stand 2nd door north of the Reno house where he will be found at all hours ready to quench the thirst of all humanity.

On for Chicago.
H. King, the furniture man, will leave Saturday for Chicago to attend the furniture exhibition, in which over one hundred of the leading factories of the United States will take part. Mr. King while away will buy at least two carloads of furniture for his trade and as buys for cash he will have some bargains soon to offer.

New Firm.
Charley Bissell can no more be kept out of the butcher business than can Morrill keep from making blunders. Mr. Bissell is now a member of the firm of Bissell & Smith, which last Tuesday bought the fine market lately filled up by Robert Bros., in Brehm's old stand, corner Main and Second street. The new firm took possession Wednesday.

A Bold Healer.
Last Monday Dr. Weatherby, had his medical case stolen from the Santa Fe depot in this city. The doctor informed Dick Hodge of the theft and in a short time he located it in a pile of discarded railroad ties west of the depot. Dick Hodge is an all-right constable and his friends have another office in sight for him when he gets tired of being constable.

Glad to Note It.
The many friends of Miss Frankie Blascoe, for several years book keeper for J. D. Weiner, will be pleased to learn that she has a very profitable position in a large railroad supply house in New York City. She at first obtained a position as a stenographer for the firm, but the proprietors discovering her true merits have promoted her to the position of private secretary and confidential clerk.

Miss Fox no Better.
Eugene Fox, son of John Fox the Rock Island agent, returned from Council Bluffs last Friday. Some weeks ago Mr. Fox took his eldest daughter to that place, where they formerly lived, she having been in poor health for some time. About two weeks ago the family was summoned, as she was much worse. Gene came home to look after affairs and brings the sad news that Miss Florence is no better.

A Man we Love.
If there is a man on earth that a populist editor should honor and revere it is the man who claims to be a populist and reads probably 10 or 12 populist paper from abroad yet refuses to take his local paper on the plea that he can't afford so many papers. We love such a man, and the very man we have in mind will borrow the GAZETTE from some subscriber to read this and come around to the office and pat us on the back, but not with a dollar.

Made us Mad.
People passing on west 8th street have for some time noticed the fine growth of blood weeds and sunflowers between the sidewalk and the street in front of 125. That is where we stay at night and rush of business or laziness on our part was the sole excuse for their not being cut. Last Sunday evening we made a solemn resolve that those weeds like Supt. Hatch should go. Monday morning bright and early found us with a borrowed "armstrong" mowing machine at work and before we had broken the fast those weeds had no more standing in the community than has the Morrill administration. Imagine our feelings though when on return to dinner our good wife informed us that the city mowing machine came along in less than half an hour after we had left the house and cut the street weeds in the neighborhood.

A Good Place to Eat.
Our readers when in town and in need of something to supply the wants of the inner man can find everything in that live at the Commercial Chop house in the Midland block. Mr. Remick the proprietor keeps on tap a barrel of Bishops beer, the new temperance drink, which is sold in the temperance saloons of Chicago and New York. A glass of this with a bit of Swiss cheese and rye bread makes a good lunch this kind of weather.

Distinguished Visitors.
A special train carrying the Gould family passed through this city last Thursday over the Missouri Pacific railroad. The party was on its way home from a trip to the Pacific coast. The party spent several hours in the city visiting the salt plants and other points of interest. From Mr. Limebach we learn that one object of the stop off here was to take in hand the matter of building a new depot. The location of the present one is unsatisfactory to the company as well as the citizens of the city.

A Great Paper.
This office is in receipt of a copy, vol. 1 No. 1, of the Chicago weekly Dispatch. It is a finely gotten up 7 column 12 page paper carrying twelve special departments. Its mission on earth is to "emancipate the democratic party from corporation and monopoly domination and a return to Jeffersonian principles." We admit it has plenty of work in sight, more so in fact, than any paper published unless it is the Hutchinson News, which is trying to build a new republican party on free silver principles. To both we wish God speed.

On the Sick List.
Albert Van Zandt, who has charge of the branch store of the Van Zandt Implement company at Wichita is down sick with malaria fever. His father went down Monday to take charge of the store.

G. A. R. Cheap Excursion.
The wisdom of the National Committee in selecting a city so centrally located, easy of access, as Louisville, Ky., for the twenty-ninth annual Encampment of the Grand Army of the Republic, September 11th to September 14th is fully justified, judging from the numerous inquiries received from all parts of the country relative to transportation facilities, passenger rates, limits of tickets, etc.

In anticipation of a very large attendance, the Baltimore & Ohio Southwestern Railway (formerly the O. & M. Ry.), the leading route to Louisville, from the West, North and East, has made preparation to afford visitors every facility, both in the way of low rates and fast trains handsomely and comfortably equipped, from all the terminal points. Three daily trains from St. Louis to Louisville; two trains daily (except Sunday, Beantown and Springfield) to Louisville; three daily trains Cincinnati to Louisville; two daily trains Parkersburg to Louisville. Rate via B. & O. S. W. Ry. will not exceed one cent per mile. Tickets will be on sale September 8th to 11th, inclusive, good returning until October 8th 1895.

One of the principal events following the close of the Encampment will be the dedication of the Chickamauga National Military Park, Chattanooga, Tenn., to which excursion rate from Louisville, Ky., will not be higher than one cent per mile; in addition there will be cheap excursions run from Louisville to the various battle fields in the vicinity. The citizens of Louisville are a unit in their expressions of according to their guests a royal entertainment during the Encampment.

Any further particulars desired will be cheerfully furnished on application to A. C. Goodrich, Traveling Passenger Agent of the B. & O. S. W. Ry., Kansas City of J. M. Chesbrough, General Passenger Agent, St. Louis, Mo.

Is spent annually for tobacco. Thousands of men die every year from that dreadful disease, cancer of the stomach brought on by the use of Tobacco.

How Can We Help You? Why, by inducing you to purchase a box of COLLI'S TOBACCO ANTIDOTE, which is a preparation compounded strictly of herbs and roots, which is a tonic to the system; also cures the Tobacco Habit and knocks Cigarettes silly.
